Harbor Aquarian Society Meets

March meeting of the Harbor Aquarium Society will be held on Thursday evening, March 23rd at 8 p.m. in the Recreation Hall at McMasters Park, 174th St. and Yukon Ave. in Torrance. The meeting will be called to order by President Russell Gammel of Redondo Beach.

As Nelson of Nelson's Ceramics of Bellflower did not get to speak at the January meeting as scheduled, he will be the speaker for this meeting. He will give a talk on the tets and aquarium novelties.

Election committee Alvin McEwen and Bertha Hutchison will announce the names of the new officers for the coming year. Plans will also be made at this meeting for the installation dinner meeting to be held in April. The dinner will also be the time for yearly awards and will mark the eleventh year that the club has been an active organization.

Showfish of the Month will be all fish not previously shown during the club year. This is the chance for club members to show their rare and unusual fish. The door prize will be a five gallon aquarium with hood.
